Delta Air Lines has been a proud supporter of the American Cancer Society for 15 years. We have set an aggressive goal to raise \$2.25 million in 2017 to support the research, patient services, and educational programs of the Society. As Delta's executive champions for the Society, we are hosting these tournaments in conjunction with our other fundraising efforts to help eradicate a disease that touches every family.

Please join us in the fight by sponsoring one or both events, and come enjoy a couple of fun-filled days of golf at two beautiful courses. We look forward to seeing you on the links and appreciate your support creating a world where no one has to hear the words, "you have cancer!"
