# It's time to put Hope At Bat!

Cancer touches all of us. The American Cancer Society and Minor League Baseball are committed to raising money and awareness for cancer research, and we need your help! By engaging all levels of the greater baseball and softball communities, the Hope At Bat initiative aims to help the American Cancer Society end cancer as we know it, for everyone.

Whether you are a coach, parent, player, umpire, or tournament director – getting involved in the fight against cancer is easy!
